Triple-Layered Black Ripple Hot Cups ***Best Seller***

These premium hot cups are thermally insulated to keep the drink inside nice and warm, without burning your customers' hand. Premium quality at a low price.

Available in 12oz size, these premium hot cups have been specially designed to be used with domed takeaway sip lids.

Each case contains 500pcs packed in sleeves of 25pcs.

PER CASE	£39.95
-----------------	--------

Leafware Black Ripple Takeaway Hot Cups ***Best Seller***

Environmentally friendly takeaway hot cups. These premium quality 12oz black ripple takeaway hot drinks cups have a triple walled construction, making them sturdy and preventing them from getting too hot to the touch. This means that the drink stays hotter for longer, and it removes the need for using a cardboard sleeve or cup clutch.

These cups are **fully recyclable, compostable and biodegradable**, making them the most eco-friendly disposable cups on the market. Your customers can see this clearly, with the words 'biodegradable, compostable, recyclable - just bin it' printed clearly on the inside of the cup (see picture).

Available in 8oz, 12oz & 16oz size, these premium hot cups have been specially designed to be used with domed takeaway sip lids.
