Why Choose Smoothie Fresh?

At Smoothie Fresh, we offer real healthy vegetable and fruit smoothies made from produce frozen within 12 hours of picking. This method preserves more nutrients and vitamins than pasteurised bottled smoothies. Our pre-portioned sachets ensure no waste, are easy to store with a two-year shelf life, and take just 30 seconds to prepare.

Effortless Operation and Consistent Taste

Our smoothies are designed for ease of use, requiring no chopping or peeling and can be made in even the smallest spaces. With regular deliveries, you'll always have fresh stock, ensuring your customers enjoy a consistent, great taste every time. Our smoothies are easy to serve, simplifying your operations and reducing staff training time.

Profitable and Suitable for Any Business

Smoothie Fresh offers fantastic profit margins, making it a valuable addition to your menu. Our simple stock management and space-efficient preparation make our smoothies suitable for all types of outlets, from cafés to hotels. Choose Smoothie Fresh and elevate your business with nutritious, delicious smoothies.
